Test Results View Page
When a user has Update Test Result access, they will ONLY see the test results they have the ability to update on the Test Results page and the Student Services Center Admission tab. This page exists to show ALL test results associated with a particular student.

1. Begin by navigating to Records and Enrollment > Transfer Credit Evaluation > Test Results View.

2. Enter Search Criteria and click Search. Note: Academic Institution is a required field.

3. View desired information on the Test Results page.

4. Use Row Navigation to view all test results. Use the View All link to view all testing data on one page.

5. End of Procedure.
