VIII. CHECKING YOUR LIST

It is strongly recommended that you double check your course materials list when you are done putting it together. Students may begin buying the texts on the list before the beginning of the semester, so it is imperative that you publish a list that is as accurate as possible.

1.1 Check to ensure that your list is complete, that you have chosen the correct editions of all texts, and that you have given students all necessary information.

1.2 To view what your students will see (strongly recommended), click "See the Student's View of This Section."

1.3 Check the student view for accuracy.

1.4 To end your BookList session, click "Close Window"—or click your internet browser’s "back" button to continue editing your course materials list(s).
