Agenda for Retreat
Steering Committee and Working Committee
August 26, 2011

8:30 – 9:00:   Breakfast

9 – 9:10:       Welcome by Executive Vice Chancellor and University Provost, Alexandra Logue

9:10 – 9:30:    Introduction of Steering Committee and Working Committee members

9:30 – 10:15:   Presentation by Michelle Anderson
    • Report on two meetings of the Steering Committee, updates on decisions made
    • Timeline for Committee work
    • PowerPoint presentation on the task at hand and learning outcomes

10:15 – 12:00:  Discuss Broad Cross-Curricular Learning Outcomes
    • Discussion groups will be assigned and will include representatives from community colleges and senior colleges, as well as members of the Steering Committee, with a mixture of disciplines represented.
    • The groups will discuss and develop draft cross-curricular learning outcomes for CUNY. They will review existing models of broad learning outcomes for inspiration: the LEAP model, the Lumina Degree Qualifications Profile, the CSI Summary of General Education Goals, and the University of Michigan model.

12 – 1:00:     Lunch

1 – 2:00:       Report back on morning discussions
    • Notes will be taken and summarized for further distribution

2 – 3:30:       Discuss Learning Outcomes from Multidisciplinary Areas perspective
• Discussion groups will be assigned and will include representatives from community and senior colleges, as well as members of the Steering Committee, assembled loosely by multidisciplinary areas.

• The groups will discuss the creation of additional broad learning outcomes from the perspective of their multidisciplinary areas.

3:30 – 3:45: Break

3:45 – 4:45: Reporting on discussion group deliberation
  • Notes will be taken and summarized for further distribution

4:45: Next steps and closing remarks by Michelle Anderson

5:00: End
